DigiBoard

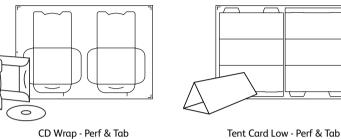

DigiBoard - Trim and Tape Range

This range of products are ideally suited to quantities from 25 to 250 sheets, therefore all products require trimming with a guillotine and some require fixing using double sided tape. CD Wallet - Trim & Tape Tent Card Tall - Trim & Tape A4 Folder - Trim & Tape A5 Folder - Trim & Tape 003R96908 003R96910 003R96907 003R96915 Tent Card Low - Trim & Tape Mug Box - Trim & Tape Pillow Pack - Trim & Tape A4 Show Card - Trim & Tape 003R96912 003R96911 003R96916 003R96909 Business Card Box - Trim & Tape Wine Sleeve - Trim & Tape ¹Wine Box Inner (Non Printable) 003R96913 003R96914

DigiBoard - Perf and Tab Range

This range of products is designed to simply tear out of the printed sheet and tab together. Ideally suited to one off applications such as the Xerox Kiosk.

¹Wine Box Inner (Non Printable) 003R96920

DigiBoard - How it Works

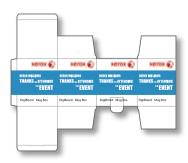

Take a pre-creased DigiBoard sheet.

Step 2...

Print with a Xerox digital press.

Step 3...

Trim with a guillotine or simply tear off excess board.

Step 4.

Fold and make up.

This product cannot be printed on. The printable Wine Sleeve wraps around this box to give the look of a printed carton.

²This product cannot be printed on. The printable Gift Box Lid fits on top of this box base.
